### **DETAILED ACTION**

1. The drawings (Figs. 7 and 9) were received on December 15, 2005. These drawings are accepted.

2. Claims 1-10 are allowed over the art of record.

3. The following is an examiner's statement of reasons for allowance:

Claims 1-10 recite, inter alia, a semiconductor test apparatus comprising a data selection circuit which receives the time-series level data output from the second time interpolator, selects the level data with an edge timing of the recovery clock registers and the average value output from the average value calculation circuit and outputs the selected output as a recovery clock.

The art of record does not disclose the above limitations, nor would it be obvious to modify the art of record so as to include the above limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh N. Tang whose telephone number is (571) 272-1971. The examiner can normally be reached on M-F (7:00-3:30).
